Sometimes some of the best

horror writing can be found

in anthologies and

collections of short stories.

Anthologies or collected

works that have a common

theme such as zombies,

vampires, or werewolves

will be found under those

specific horror fiction

sections. Anthologies - The

Monster Librarian - A

fictional book is a

non-existent book created

specifically for (i.e. within)

a work of fiction. This is

not a list of works of fiction

(i.e., novels, mysteries,

etc.), but rather imaginary

books that do not exist.
