

the summer of ubume natsuhiko kyogoku

Wed, 16 Jan 2019 02:05:00

GMT the summer of ubume natsuhiko pdf - Ubume (うぶめ), a Japanese yōkai, appears in folk stories and literature as an old woman or crone, with a child in her arms, imploring the passerby to hold her infant, only to then disappear. As legend has it, the weight of the child increases by degrees, until the bewitched "child" is revealed to be nothing more than a huge rock or boulder.

Ubume - Wikipedia - Terminology. The name kappa is a combination of the words kawa (river) and wappa, a variant form of 若 (warawa (also warabe) "child". The kappa are also known regionally by at least eighty other names such as kawappa, kawako, kawatarō, gawappa, kōgo, mizushi, mizuchi, suitengu. Kappa (folklore) - Wikipedia -
